Breast Cancer Screening Saves Lives.

Breast Cancer is the most common cancer in New Mexico women. Getting a Mammogram regularly can lower your risk. A Mammogram is an X-ray picture of the breast that looks for early signs of breast cancer.

ARE YOU?

***A Woman over 40 Years Old? Uninsured or Underinsured?**

***Past due on your latest yearly screening?**

If you answered YES, you may be eligible for a FREE Mammogram

If you have Health Insurance, you can still get screened.

Please bring your insurance card and Photo ID.
